Under her leadership, in 2021, Discover's payments business handled more than \$500 billion in transaction volume and generated more than \$533 million in pretax income. Additionally, as a member of Discover's executive committee, she helps to drive the firm's strategic direction, flagship initiatives, and helps to shape the company's culture. She has been with Discover since 1998 and has held several positions within the company, including Executive Vice President, Payment Services and Executive Vice President and Chief Information Officer. Prior to Discover, Ms. Offereins held leadership positions at Bank of America and SouthEast Bank.

In addition to her leadership position at Discover, Ms. Offereins is on the Board of Directors of Brighthouse Financial, Inc. "Diane is a trailblazer in the Financial Services industry, and her unique experience scaling Discover's payments ecosystem globally is expected to be an advantage to Flywire's Board," said Mike Massaro, Flywire CEO. "Her knowledge of our FinTech sector, as well as her proven track record of building one of the most respected global brands in our industry, will help propel Flywire forward to our next phase of growth."

"I'm thrilled to join Flywire's Board at an exciting time for the Company," said Diane Offereins. "I've been impressed with Flywire's growth and execution and have always considered them a prime example of how FinTech companies are pushing the boundaries of innovation. Flywire offers powerful software and payments technology and continues to deliver strong value for clients and payers in large vertical industries. I'm proud to join the Flywire Board to help play a role in the Company's future success."

Diane joins Flywire's Board as Jo Natauri, a partner at Goldman Sachs and a Flywire Board member since November 2020, vacates her seat. "I'd like to thank Jo for her significant contributions to Flywire over these past few years. Jo has been an invaluable resource for me personally, and instrumental to Flywire's growth. Jo started with us as part of Goldman Sachs' pre-IPO investment and she's helped us to navigate the transition to being a public company. While we will miss her, this is a natural evolution of Flywire's Board and with Diane's appointment, I am confident we have an exceptional Board team to help steward Flywire's future success," said Mr. Massaro.

Additionally, Flywire is announcing that Yvonne Hao, a Flywire Board member since September 2021, has been appointed to serve as the next Secretary of Economic Development for the Commonwealth of Massachusetts, reporting to new Massachusetts Governor Maura Healey. In connection with her appointment, she has stepped down from the Flywire Board.

"Flywire is incredibly proud that the Governor of Massachusetts has chosen one of our Board members to serve in this critical role," said Massaro. "Given her amazing contributions to our company and our Board, we believe the Office of Economic Development in the Commonwealth of Massachusetts will be in outstanding hands. We are grateful for her contributions to Flywire and wish her the best," said Mr. Massaro.
